JANOME

a story in every stitch

SKYLINE  S3

ESSENTIAL VALUE. EXTRAORDINARY SEWING.

Convenient, Efficient Features: Speed control slider & one-hand needle threader plus auto thread trim, easy reverse, locking stitch, needle up/down and start/stop buttons.

Ample Work Area: Skyline's largest in class design delivers over 30% more sewing space with an 8.3 x 13" (210 x 330 mm) bed area and 4.7" (130 mm) of vertical clearance.

Serious Sewing Essentials: Seven of the most used accessory feet are included to take advantage of the 120 built-in (up to 7 mm) stitches, including 7 buttonholes.

Easy to See: Choose your stitches from the top cover easy-view chart; see your selection on the backlit LCD screen and sew in comfort with 4 LED lamps in 2 locations.

DESIGNED FOR EVERY TYPE OF SEWING

Imagine adding the handmade touches to life that make the ordinary and “everyday” memorable; trading off-the-rack for signature style and transforming your space with bespoke details. The value priced *Skyline S3* delivers the impressive sewing experience to help make your everyday extraordinary.
